

8th INTERNATIONAL CONFERENCE of the French Association of Experimental Economics

8 - 9
June
2017

Rennes - France

Call for Papers

The 8th International Conference of the French Association of Experimental Economics (ASFEE), will be organized by the Center of Research in Economics and Management (CREM (UMR CNRS 6211) and the Department of Economics, University of Rennes 1, (Rennes, France), on June 8-9, 2017

The conference will provide an opportunity for researchers to present results of laboratory experiments and field experiments. It will cover all topics regarding behavioral and experimental economics as decision theory, game theory, institutions and markets, neuro-economics, economic psychology, among others. Theoretical papers explicitly dealing with experimental/behavioral issues are also welcome.

The 2016 Conference in ESSEC, Cergy Pontoise, Paris, attracted about 120 scholars from many countries.

Location

The Conference will take place at the Faculty of Economics, 7 place Hoche, CS 86514 - 35065 Rennes Cedex - Brittany, France.

The Faculty is located in the core center of the city of Rennes, directly connected to the train station by a metro station close to it. Lunches will be provided at the Faculty. A special event – Dinner at the Cha-teau d'Apigné – is scheduled for Thursday evening.
